

Leavenheath annual Parish Meeting 2025

Updates.

Leavenheath Events.

The last year has seen the committee lay on 4 events.

In July a highly successful Bingo Buffet, December, Santa's Sleigh in partnership with The Scouts and a Brilliant New Year's Eve party, and in March this year a Bingo and Cake afternoon.

All these events were very successful and well attended by the community.

After a successful recruitment campaign for volunteers, we are now able to hold the Leavenheath fete on July 5th.

These events don't run themselves, so a big thank you has to be extended to all the LE committee and Volunteers that make it all happen.

Going forward, various events are in the mix and details will be released as and when.

Leavenheath Play Area.

After considerable efforts all the funding has been secured, final plans decided on and contractor appointed for the project to go ahead.

A public Consultation also gave the green light from the residents.

It is hoped the play Area will be built by Mid-June with a final Safety inspection allowing it to be used.

It is hoped to have our MP open it officially on the Day of the Fete.

Thanks must be extended to the small band of people who made this possible and to the PC for its ongoing help to see this through.
