

Calling All Volunteers: Help Shape Our Village's Future!

Are you passionate about the future of our community? Do you want to make a real difference in how our village develops in the coming years? We need your help! Volunteers are being sought to join the committee to further develop and update our Neighbourhood Plan, a crucial document that will have a lasting impact on the future of Leavenheath.

What is the Neighbourhood Plan?

The Neighbourhood Plan is a community-led framework that influences how our village will grow and evolve over time. It provides an opportunity for local people to guide development, from housing and infrastructure to the preservation of green spaces and community facilities. Essentially, the plan allows us all to have a say in shaping our village's future, ensuring it reflects the needs and aspirations of Leavenheath residents.

Why Your Input Matters

The work we have already done through the Neighbourhood Plan has had a significant impact on several proposed large developments in our village. Thanks to the efforts of the previous volunteers on our Neighbourhood Plan Committee, we've been able to influence key decisions around housing designs, infrastructure, and the preservation of green spaces, ensuring that new developments align with the needs and character of our community. However, with Government policy dramatically increasing housing numbers across the country, we can't afford to be complacent. The demand for increased housing development is significantly growing, and it's crucial that we continue to have a strong, active voice in shaping the future of our village. Now more than ever, we need to come together to ensure our Neighbourhood Plan reflects our collective vision for a sustainable, well-balanced community.

Our village is growing, and with this growth comes important decisions about how our area will look, feel, and function in the years to come. Having a say in these decisions is vital, and the Neighbourhood Plan is the perfect platform for our voice to be heard.

By becoming involved, you'll have the chance to:

- **Influence new development**
- **Protect our environment**
- **Improve infrastructure and facilities**
- **Build a sense of community**

How Can You Get Involved?

We're looking for volunteers who are passionate about our village and eager to contribute their ideas, skills, and energy to this important project. Whether you have experience in planning, design, or just a keen interest in making your community a better place, there's a role for you.

There are a number of ways you can help:

- **Join our Neighbourhood Plan committee:** Help research, develop, and refine the policies that will form the backbone of the Neighbourhood Plan.
- **Attend consultation events:** Share your thoughts and ideas at local events, ensuring the plan reflects the priorities of our community.
- **Spread the word:** Help engage with your neighbours and encourage others to get involved. The more voices we have, the stronger the plan will be.

Your Community Needs You

Now is the time to act! The future of our village is being shaped by local and national policies, and it's up to us, the people who live here, to guide it in the direction we want to see. By volunteering, you'll play a vital role in making sure our Neighbourhood Plan reflects the values and needs of our community.

If you're interested in getting involved, please get in touch with Leavenheath Parish Council (clerk@leavenheath-pc.gov.uk) or attend our Annual Parish Meeting on the 7th of May, at Leavenheath Village Hall, from 7-8.30pm.

We look forward to hearing from you!
