

Your district, Your future, Your say!

Help shape the future of Babergh and Mid Suffolk

We're creating a new Joint Local Plan that will help us deliver sustainable communities for future generations.

The plan will guide decisions about community facilities, jobs, infrastructure, town centres, the best places for new homes, transport improvements and protecting the environment.

Your voice matters.

Tell us what's most important to you about the place where you live.

Consultation open now until 31 July 2026.
